CHICKPEA SNACKS

Dear Store Manager,

I would like to place a request for Lebbly Chickpea Snacks to be carried at your store. I frequently shop at your store, and would love to be able to purchase them when I do the rest of my grocery shopping!

Lebbly Snacks are dry roasted chickpeas covered with high quality chocolate varieties and sesame honey. They are healthy AND indulgent!

They are packed with plant-based protein and fiber and they even have vegan, dairy free, and soy free varieties!

Most importantly they are delicious, guilt-free snacks that satisfy my sweet cravings.

Please notify me when Lebbly Snacks are available in your store. Thank you!
